

PRESENTATION REPORT OF THE 60 YEAR AWARD OF THE GRAND LODGE OF SOUTH CAROLINA

This is to report that the 60 Year Emblem and Certificate was presented to:
Brother Hunter Simpson Kirby
A member of Seneca Lodge Number 185 located at Seneca, SC.

Date: June 9, 2010

Place: Brother Kirby's residence.

Remarks:

At 90 years of age, I found Brother Kirby to be exceptionally strong in Spirit and sound in mind. I had a very enjoyable visit with him and intend on returning often. Unfortunately, Brother Kirby's health restricts his travels and he is unable to get out and socialize as he would like. I find this alone to be the only aid this Brother may need. I will therefore forward a copy of this report to his home Lodge with request that the Brethren who knew him give consideration to calling him now and again. I am certain that he would find much pleasure in this. Brother Kirby was honored to receive his 60 Year award and has fond memories of the Brethren at Seneca Lodge and of Masonry in general.

With Fraternal Regards,
Tony Bizakis
District Deputy Grand Master, 22nd District
